Video - How to build custom dashboards?

It's now possible to build a customer's own dashboard by chatting with an AI assistant, then publish it to that customer's Dashboards menu.

Updated November 10, 2026

‼️ **Custom dashboards can currently only be configured by Qargo.** Please contact Qargo Account Manager to enable the custom dashboards required.

🎥 This video shows both how a custom dashboard is created and how to use it:
